## Notes From the Extension Office

Hello Roosevelt County Extension Members

Spring has officially sprung! There are quite a few events coming up including District IV meeting and Cultural arts on April 19th & 20th. The invitation is included in this newsletter. If you have question as always please call the Extension Office. Looking forward to fair time, if you have committed to working the voting booth please send me your schedules so I can send on to the fair board.

Sincerely,

Charlsea Lee

Admin. Assistant

Hello Spring!

As you all know New Mexico spring's are quite varied. Sometimes we have a real spring (like this year), sometimes we go straight from winter to summer, and sometimes we have those crazy days that incorporate all four seasons in one day. Whatever the case we are grateful for another day! I would like to take this opportunity to address something that you may have heard about. I have been asked by multiple people to approach the County Commission about adding some type of position whether it be full or part time to assist with our Family and Consumer Science needs in the county. I presented the idea to the commission at their last meeting and it seemed to be well received. I want to make no promises that we can get anywhere with this idea but if we don't ask we will never get someone to help us in that position. I wanted to make you were aware of what's going on and I will keep you posted as we go forward with this proposal.

As always, thank you for being a part of this great organization and let us know how we can help!

Sincerely,

Patrick Kircher
