## Notes From the Extension Office

Hello Roosevelt County Extension Association,

We are looking forward to the fair and we would like to encourage you to enter some of your wonderful creations this year. I know that Charlseas has told you that Ryan and I are here to support you but I would like to reinforce that statement. We are here to support your efforts and we will do our best while she is out on maternity leave. Please give us some extra time to get things accomplished as we have other duties going on, but we are here to help you. I appreciate your continued involvement and efforts to be a part of this program. If you need anything please give us a call.

Sincerely,

Patrick Kircher  
Roosevelt County Ag Agent &  
County Program Director

Hello Roosevelt County Extension Members,

We are winding down the year, can you believe it is fair time? Which also means we are getting closer to me being gone on maternity leave. I will still be reachable through email (cnlee@nmsu.edu) and here to help. If you are needing agendas and minutes printed for your monthly meeting please also send them to Patrick at pkircher@nmsu.edu, I will try to forward them to him to print, but this way they won't get lost. Thank you for being understanding! Patrick and Ryan will be more than happy to help the best they can, but keep in mind they have duties during the fair and fall months that will also have their attention. Thank you all for being such an amazing group of ladies!

Sincerely,

Charlseas Lee  
Admin. Assistant
